Dear Mr. Mazin,

I wish to thank your company for doing an excellent job of your professional service to handle the customs clearance and transportation of our 2 rigs from Um qassr port Iraq to our jobsite at Halfaya oilfield. Throughout all of your work field activity the work was completed very efficiently, timely and safely thanks to your professional port operation teams and transportation team.

In addition, your company along with Iraqi oilfield logistics services and provided excellent assistance in helping us assess the required upgrade to achieve and increased thermal performance as indicated by our follow-up field team

Again thank you for your kind support

Yours truly
